Sponsor (if applicable):

Project Name:

1. What were the goals and objectives of your project?
2. Which of the goals and objectives listed above did you accomplish?
3. How have you measured your accomplishments? (survey results, statistics, financial changes etc.)?
4. Did your project reach those it intended to serve? Who were those people and how many were affected?
5. During your project, what worked well, what did not and why?

6. Were there any unexpected results or benefits?
  
7. Did you collaborate with other agencies? Were any partnerships created?
  
8. What have you learned from the project that will be of assistance to you in the future?
  
9. How could The Temiskaming Foundation have served you better?
  
10. Will your project continue and if so, how will it be funded?
  
11. Explain any changes that will be made to your project in the future and why.
  
12. Detail media and public exposure that your project received. Please include any newspaper articles, brochures, newsletters, flyers and/or photos.
13. **Please attach a financial statement for the project or a listing of expenditures and revenues.**
14. Each year The Temiskaming Foundation publishes an annual report profiling our contributions to the community. On a separate sheet of paper, please provide us with a brief summary of this project that could be included in our publications.

*Thank you for sharing your project experience!*
